The entries under the head Local Remittances Nos. 4 and 5 which, it is observed, contain many items belonging to Revenue and other heads, should be carefully scrutinized and rectified by transfers in the District Treasury Accounts, the Amildars concerned being instructed to correct their accounts accordingly.

4. It is further observed that some of the items under the head Local Remittances Nos. 4 and 5, have been outstanding for more than one month and others for a longer period. As a rule items which remain undischarged at the end of a month and which are therefore brought on these credit statements, must invariably be discharged in the next or succeeding month.
